Funding for sessions with young people

Self-funded or Charitable funds

We offer a **bursary scheme** for families who meet our criteria but may not have the means to contribute. Please contact us at emma@horseworks.org.uk in confidence to discuss options for free or partially funded spaces.

We sometimes have grants covering young peoples services so its worth asking us what is available!

Schools -PP or EHCP

If your child has an EHCP or is entitled to Pupil Premium and is on roll at a school, the school may have a budget for alternative provision services. If you are in the process of getting an EHCP, you can ask for our service to be named as part of the plan. See Supporting Progress and Inclusion

Local authority

Accessed through social worker, family support worker or school.

Dorset Families Matter

Your school, family worker or social worker can make a referral to DFM so that your child can access funded services. There are certain criteria you need to meet as a family.

Enquiries: Dorsetfamilesmatter@dorsetcouncil.gov.uk

Supporting Progress Inclusion Framework (AP)

For children and young people with an EHCP. Your lead contact at Dorset Council can advise you what options are available. Our services can be spot purchased using the EHCP funding at present and we hope to be part of the framework very soon!
